Summary

I am Yash Pawar, a recent graduate with a Bachelor's degree in Electronics and Telecommunication Engineering from Savitribai Phule Pune University, achieving an impressive CGPA of 8.34. Eager to launch my career in the IT industry, I am a highly motivated and technically proficient individual seeking opportunities to apply my knowledge and skills.

Skills

Java, Spring Boot, Hibernate, J2EE, OOPs, C++, C Programming Language, HTML 5, CSS, JavaScript, SQL

Experience

IOT Based Smart Shopping Cart Using RFID Technology.
08/2022 - 03/2023

This innovative project involved integrating RFID tags and sensors to enhance the traditional shopping experience. The cart was designed to automatically identify and tally items using RFID tags, streamlining the checkout process and improving efficiency for both customers and retailers.

Bank Account Tracker
Self Employed | 10/2023 - 12/2023

Developed a Bank Account Management System in Java, utilizing Object-Oriented Programming principles and Collections.This application allows users to open various types of accounts (Savings, Salary, Current), perform transactions (deposit, withdraw),and view detailed transaction history. Incorporated features such as account auto-numbering, last transaction tracking, and serialization for data persistence. This project showcases strong Java programming skills, algorithmic thinking.

Cricket Score Master
Self Employed | 06/2023 - 07/2023

I independently developed a player statistics management system using C++, incorporating features such as player addition, deletion, search, and statistics updating. This project demonstrates my proficiency in C++ programming and my ability to design and implement a user-friendly system for efficiently managing and analyzing player statistics.

Education

Marathwada Mitra Mandal's College Of Engineering Pune
Electronics & Telecom | 07/2023
Overall CGPA - 8.34

Vasantrao Sakharam Sanas Jr. College
HSC | 05/2019
Percentage - 63.69%

Certificates

GDSC Data Science & ML Track Certification
